Capacity Building Workshop on Agricultural Policy Analysis for Food Security and Poverty Reduction

26-30 November 2012 | **Bogor, Indonesia**

The Centre for Alleviation of Poverty through Sustainable Agriculture (CAPSA), in collaboration with the Indonesian Centre for Agriculture, Socio-Economic and Policy Studies (ICASEPS) and with funding support from the Ministry of Agriculture in Indonesia, will organize a five-day technical workshop on agricultural policy analysis on 26-30 November 2012 in Bogor, Indonesia. This aims at strengthening the capacity of researchers and analysts working in the Indonesian Ministry of Agriculture and its affiliated research institutes to undertake in-depth analyses on agricultural policies and their impact on agricultural development and transformation, food security and poverty reduction. Agricultural statistics, agricultural survey design and techniques of survey data analysis will be the focus of the workshop.

In accordance with the high priority given to sustainable increase in agricultural production and productivity, efficiency and effectiveness of food distribution systems and food vulnerability management by the government, the Indonesian Ministry of Agriculture has provided funding for the workshop. Professor Dr. Tahlim Sudaryanto, Assistant Minister for International Cooperation of the Ministry of Agriculture will deliver a lecture on agricultural policy context and trends in Indonesia, while Dr. Haryono will be the guest of honour.

A highly professional team of resource persons drawn from the United Nations Economic and Social Commission for Asia and the Pacific (ESCAP), the Statistical Institute for Asia and the Pacific (SIAP), the World Food Programme (WFP), the World Bank, the OECD Secretariat and CAPSA will guide the participants during the workshop.
